NARM BENEFITS

What is the North American Reciprocal Museum Association?

The North American Reciprocal Museum (NARM) Association is one of the largest reciprocal membership programs in the world! NARM has over 1,100 arts, cultural, and historical institutions along with botanical gardens, children's museums, science and technology centers and more that offer their individual NARM qualified members reciprocal benefits.

Can individuals be a part of NARM?

It's easy for individuals to participate! Locate your favorite institution on the NARM Map and join them at the NARM level of membership. Then, simply present your valid membership card to any participating NARM institution to receive:

- Free/member admission during regular museum hours
- Member discounts at museum shops
- Discounts on concert/lecture tickets*

Guests are not included unless they present a current membership card validated with the accepted NARM identification. Family memberships are determined by each participating institution and it is recommended that you contact the institution you plan to visit prior to visiting to avoid any confusion.

*Note that some institutions restrict benefits. Contact the institution you plan to visit for more information.

More information can be found at <http://narmassociation.org> including a detailed map and listing of all the affiliated institutions.
